Philippines Trivia:

Located in the southernmost part of the island of Luzon, Bicol is one of the major tourist destinations in the Philippines and is primarily known as the home of Mount Mayon, an active volcano with a perfectly shaped cone. It is the Philippines' most active volcano. It has an elevation of 2,462 meters (8,077 feet) with a base diameter of 20km. Bicol is also famous for its rich and spicy dishes which are mostly cooked using "gata" or coconut milk and flavored with "siling labuyo" or chili. Well known Bicolano specialties are "bicol express", "pinangat", "laing" and "kinunot". Must-buys include "pili" nut-based delicacies and handicrafts.
